40) Joël Zwaan (Leiden University): “Beyond Play and Seriousness.” joelzwaan@gmail.com
JESSICA N. BERRY, EDITOR

Nineteenth-century German philosopher Friedrich Nietzsche, whom some regard as the first existential philosopher, has shaped philosophical, religious, and political thought into the twenty-first century. His writings have influenced great poets, artists, musicians, and intellectuals from Kant to Foucault, including Freud, Mahler, Rilke, Camus, and Sartre. He remains of interest to scholars and the general populace alike. His works, such as Thus Spoke Zarathustra, Ecce Homo, and Human, All Too Human, remain in print and are still being translated and widely read.
